Warranty Disclaimer

All **Swaymar Marine engineering Ltd** products must be **correctly installed by a qualified marine technician.**

This warranty expressly excludes any damage caused by the failure of ancillary components, adjustments, tune-ups, freezing, neglect, lack of maintenance, accidents, abnormal operation or improper installation or service, participating in or preparing for racing and water ingress. **Swaymar Marine engineering Ltd** recommends that all exhaust manifolds and risers are replaced prior to installation of new engines. Damage or failure caused by parts not supplied by or that have not been inspected and refurbished by **Swaymar Marine engineering Ltd** is expressly excluded.

NB: Under no circumstances do we refurbish cast iron exhaust manifolds.

NB: Extreme caution should be taken when fitting previously used cast iron inlet manifolds & exhaust manifolds as these are prone to failure and the cause of most engine problems.

This warranty will not apply to: haul out, launch, towing and storage charges, telephone or rental charges of any type, inconvenience, or loss of time or income, or other consequential damages, removal and/or replacement of boat partitions or access to product.

Claims shall be made under this warranty by contacting **Swaymar Marine engineering Ltd**, immediately and subject to inspection at our works.

Purchaser shall pay for all related transportation charges and/or time. Our obligation under this Warranty shall be limited to repair or replacement of defective parts or faulty workmanship and associated labour, and is at the sole discretion of **Swaymar Marine engineering Ltd**.
